Summer Elective Series Begins July 10

The Education Committee is happy to announce the summer adult elective series this year. Dr. Joe Reiff, Professor of Religion and Chair of the Religion Department at Emory & Henry College will present a four-week series on his new book, *Born of Conviction*, which shares the story of 28 white Methodist preachers who signed the document offered

as an alternative witness to the segregationist party line in 1963. Dr. Reiff's lectures will take place in Parish Hall on July 10, 17, 24 and 31. His book, *Born of Conviction*, is for sale at the church for \$20 in the main office and during the lectures.

Anthem Donations

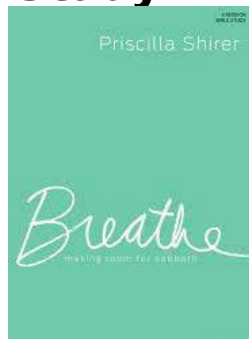

Would you like to donate an anthem to one of the Church Street choirs in memory or honor of a loved one? The gift of \$150 will purchase an anthem. All you have to do is make a check to CSUMC and send it to the church 'attention Tim Ward'. You may designate the anthem for the adult, youth, children or handbell choir.

Tim Ward and Edie Johnson will select the anthem that is needed and that will best fit our choirs. You are not responsible for selecting the music. Tim and/or Edie will let you know when the music will be presented in worship. All gifts for new anthems must be received by July 31 to be processed for the next choir year (2016-17).

Women's Summer Bible Study

The summer women's Bible Study will begin on Monday, July 11, at 6:30 p.m. in room 201-A. We will be doing the Priscilla Shirer's series "Breathe: Making Room for the Sabbath." We will journey through the scriptures to help us learn to enjoy life the way God intended. The student book will be \$10. We would love to have you come and join us. Childcare is available.

Remember Your Baptism

-Rev. Jan Buxton-Wade
Periodically, we clergy offer the opportunity of "Remembering our Baptism" through the use of bowls in our Sunday morning worship services. Now permanently placed in the Narthex, these vessels will be available to worshipers each time they enter the Nave. Our founder John Wesley held the practice of touching the water in the baptismal bowl when he was growing up in his father's church and throughout his priesthood in the Church of England; he never forgot the cleansing, healing redemption which comes to all of God's children through baptism. Why not make it your practice to also touch the water prior to worship and repeat the same affirmation as did Wesley: *I remember my baptism, and I am grateful.*

From the Pastor

-Rev. David Graves

I have a pastor friend who used to say on holiday weekends, "This Sunday will be a day that is up and down. People will be up in the mountains and down by the lake or ocean." As we take this weekend and Monday, July 4th to remember the beginning of these United States, we give thanks for the leadership and sacrifice of all those who have come before us to provide the freedoms we now enjoy. Yes, we have a lot of concerns we are dealing with as a nation, but we have so much to be thankful for. Wherever you are, I pray it will be a blessed time.

If you are in town on Sunday, I invite you to join us for worship. Bring the whole family and invite friends as we will share in the ultimate freedom that is found in Christ. My sermon is "When Jesus is Absent" from John 14:1-14, and we will share in Holy Communion.

Please continue to pray for the victims' families and friends of the Orlando shooting, the loss of life and devastation now going on from the floods in West Virginia and wildfires out west. We have those in our church family that are facing death or serious health concerns, pray for them as well as the unrest of where we are as a country. Our Nation has been here before. We need to move forward in faith not fear.

On the local front, I give thanks for the powerful Vacation Bible School that was held recently, and the wonderful time we had this past Sunday night at our Party in the Parking Lot. We had to move inside Parish Hall after a storm blew in. Thanks to everyone who pitched in and got everything inside right before the rains came. We had a great time!

The Hill Street Parking Lot Project is coming along very well and the retaining wall is going up. The completion date is hopefully by September 1. It is really going to be nice once it is completed. It appears the KUB water and sewer projects on Poplar Street and Hill Ave. are completed, along with the lines through our church parking lot. Cumberland Avenue is another story. Just when you think it is moving toward completion, more orange barrels are placed out. Don't you wish that you were the one who invented the orange road construction barrel? We all look forward to this downtown project being completed and the roads repaved.

Blessings,
David
